CAFÉ & WINE BAR

"Vorrei Coprir La Tua Bocca Di  
Baci, Per Dirti Quanto Mi Piaci."

## BACI CLOSED UNTIL FURTHER NOTICE

At approximately 8:00 this morning, a driver plowed his vehicle through our front doors, causing extensive damage to the dining room. We are grateful no person was injured.

It is with deep regret that we must inform you that Baci will be closed until further notice.

We will email you again once we have a clearer understanding of the damage & duration before we can welcome you back.

As always, we thank you for your support.

Lisbeth, Shari & the Baci team.
